

TABS Kenya Trustee visits the UK

George Karuku has been a trustee with TABS Kenya since 2012. In April he embarked on a tour of the UK to visit trustees and churches who support TABS International. The visit gave George the opportunity to visit churches from Devon to Bridlington. The trip ended with an amazing live piano soiree at Emmanuel church and a presentation from George and our Chair Ellen. The piano soiree raised £521.71 for the school.

UK trustee Chris in Swindon

UK trustee Matthew in Bedworth

UK Trustee Richard in Yorkshire

Trustee Kath and Terry in Bedworth

Emmanuel Church, Bridlington

Soiree and presentation with TABS Chair Ellen

Silverton Church, Exeter

Can you help TABS?
We are looking for a treasurer to join our team - are you a numbers person or just have a few hours spare a month?
Contact one of the TABS Trustees for more information or email info@tabsinternational.org

Permission given to use land as new outdoor playground

Local authorities and community elders have granted the school permission to use former Bridge School land as a large outdoor playground area for learners at TABS.

This means that learners can now use the land for their PE lessons and get some much needed exercise which is vital for their growth and development.

Give Hope to a Child

Last month, a new project initiative 'Give Hope to a Child' was able to reach out to more children who were unable to access basic primary education.

New learners joined the school thanks to the home visits conducted by community volunteers Florence and Lucy from Embrace Inclusion.

Junior Secondary school is up and running.

Here is a picture of the first Junior Secondary learners starting at the school. It is thanks to all Friends of TABS that we have been able to make the changes required to allow for the transition to a Primary and Junior Secondary school.

The learners take part in regular online lessons and now have the opportunity to practice this at home with an online learning programme created by the teaching team and school managers.

Prayer Requests

- We pray for the children at the school, that they may continue to access education.
- We pray for the upcoming trip to Kiandutu, that the trip is productive for UK trustees, and for safety in travelling.
- We pray for the planning and preparation for the Mt Kenya Climb in August and all the volunteers embarking on this trip.
- We pray for the teaching team and the TABS Kenya Trustees, that they may be guided by God in all that they do.

Introducing Kev Oldfield

Kev from Bridlington is a man who spent almost a decade sleeping rough on the streets. He has overcome poverty and homelessness himself and now helps others as part of a church team at Emmanuel Church in Bridlington. Kev will be flying out to Kiandutu in June with Rev Richard Hare and a group of Friends of TABS for a two-week trip to visit and work at the school. He can't wait!
